1 - What are the strengths and weaknesses of Simone Paci (discussion section leader, lab section leader, grader) as an instructor, and how might Simone Paci's teaching be improved?

Response Rate	2/80 (2.5%)
<ul style="list-style-type: none"> • Very helpful grader and left meaningful comments on papers that aided my writing. • Simone is an incredibly helpful teaching assistant. Although I struggled with formulating a historical argument in the beginning of the course, Simone met with me to provide feedback and improve my quality of organization. By the end of the semester, I felt confident that I can deliver a clear argument with a mix of historical information and analytical grit. 	

2 - What is the overall teaching effectiveness of Simone Paci in the current modality?
